

Gigi

Verse 1:

Gigi, you guide us to rise high above the skies.
Gigi, our shining spirit, so humble and so wise.

Chorus:

You give love to those around you,
You show strength and face your fears,
Gigi, you guide us through the years.

Verse 2:

Your teachings are reaching the hearts of those who care.
God's spoken: hearts open,
Some place, somehow, somewhere.

Chorus:

You give love to those around you,
You show strength and face your fears,
Gigi, you guide us through the years.

Bridge:

O Gigi!
Our strong-willed friend we depend upon.
So safe and oh so sure,
In our hearts forevermore.

Gigi, so strong-willed, our friend,
So safe and so sure, in our hearts forevermore.

Gigi, you guide us through the years.
