## FCJ Sisters

The Sisters, **Faithful Companions of Jesus** are an international group of Catholic religious sisters.

Jesus invites us  
to share his mission ...

...committed to him,  
...walking faithfully with him  
...making his mission our mission  
...sent to proclaim the Good News by  
our lives.

There is joy in living in our world,  
a holy place,  
in which we are privileged  
to discover and reveal  
the presence of the risen Christ.

... above all we are **Companions of Jesus** whose lives must reveal him to the world ...

## Experience Community Life...

- ❖ Have you ever wondered what it would be like to live community life?
- ❖ Would you like to share prayer with others?

If you would like an opportunity to live in a Christian community and to share community life for a short time, feel free to contact us in order to discuss possibilities for a short term community experience.

## What is Spiritual Accompaniment?

Many people ask about how to pray, or want to discover where God is really calling them to growth in their lives; spiritual accompaniment provides an opportunity to talk with someone about your relationship with God, about your life, and about prayer.

## Gap Year Opportunities...
